

## PROJECT INPUT CONTACT TABLE

<b><u>NJDOT Contact</u></b>	<b><u>Unit and Management System</u></b>	<b><u>Data Requested</u></b>
Philip Bertucci	Pavement Management Pavement Management System (PMS)	PMS data and skid test results
Kiong Chan	Drainage Management Drainage Management System (DMS)	Ranking on DMS; Flooding incidents, any pending or active drainage projects in the area.
Ira Levinton & Neha Galgali	Congestion Management Congestion Management System (CMS)	Ranking on CMS; Information regarding areas prone to or a history of congestion.
John Jamerson	Structural Design & Geotechnical Engineering Rockfall Hazard Rating System (RHMS)	Ranking on RHRS, Underground strata information
John Jamerson	Structural Design & Geotechnical Engineering Geotechnical Data Management System (GDMS)	Underground strata information, any additional information regarding the specified structure.
Greg Renman	Structural Evaluation & Bridge Management Bridge Management System (BMS)	Ranking on BMS, Bridge SI&A, information on recent bridge repairs, etc.
Sophia Azam	Transportation Data & Safety	Ranking on SMS, Crash data, rates, summaries and details
James Lewis	Statewide Strategies Smart Growth Management System (SGMS)	Ranking on SGMS
Urvi Dave	Maintenance Administration Operations Systems Unit Maintenance Management System (MMS)	Ranking on MMS; Recent, pending or active work orders in project area.
Chris Barretts	Traffic Engineering	Recent, pending or active work orders in project area.
Richard Dube	Major Access	Any know development plans pending an access permit
Andrew Zeleznock	Bridge Maintenance Engineering & Operations	Recent, pending or active work orders in project area.
Jack Longworth	Operations Support, Roadway Maintenance	Recent pending or active work, etc.
Jack Longworth	Operations Support, Bridge Maintenance	Recent, pending or active work, etc.
Antoun Abraham	Transportation Data & Safety	Functional classification, Existing traffic counts, truck % etc.

## PROJECT INPUT CONTACT TABLE

Chrissa Roessner	Regional Construction Engineering - North	Any information related to the subject project site.
Nart Appesh	Regional Maintenance Engineering - North	Recent, pending or active work orders in project area.
Frank Pinto	Utilities Coordination	Existing Utility info. for this area
Padmanabha Amin	Mobility & Systems Engineering	Recent, pending or active design ITS work orders in project area, ITS Plans.
Michael Juliano	Traffic Operations North	ITS Facilities desired within project limits
Wayne Patterson	Traffic Operations South	ITS Facilities desired within project limits
Mike Moran	Central Dispatch Unit	Any and all impacts to the Department's 24/7 call center (particularly automated pump stations or other system generated alarms)
Atta Najem	Bridge Maintenance Engineering & Operations	Recent, pending or active work orders in project area.
John Longworth	Operations Support, Roadway, Bridge and Drainage Maintenance	Recent pending or active work in project area.
Robert Parker	Regional Construction Engineering - Central	Any information related to the subject project site.
Kurt McCoy	Regional Maintenance Engineering - Central	Recent, pending or active work orders in project area.
James Mesinger	Regional Construction Engineering - South	Any information related to the subject project site.
Victor Uzlyaner	Regional Maintenance Engineering - South	Recent, pending or active work orders in project area.
